1. MISSION STATEMENT

The San Luis Obispo Soccer Club:

- Is committed to providing a high quality soccer experience for those players who have demonstrated that they have a talent and dedication for the sport.
- Primary concern is for the long-term growth and development of your son/daughter as a person as well as their growth in soccer skills.
- Takes the soccer we play seriously, however, we recognize there are things more important in life than soccer and in terms of priorities, family and school come first.
- Believes that a player's development is more important than winning and that winning is a result of successful player and team development.
As a competitive club, places an emphasis on competing for tournament, league and State Cup championships.
- Believes that the success of this organization is measured by its excellence both on and off the field.

2. CLUB OPERATIONS

2A - CLUB OVERVIEW

The San Luis Obispo Soccer Club (SLOSC) is a 501-c3 non-profit organization dedicated to organizing and training youth soccer players, currently from the U10-U18 age groups, with boys and girls teams. The San Luis Obispo Soccer Club is dual registered with the California Youth Soccer Association (CYSA) and US Club Soccer. Within Cal South, SLOSC is in District 7.

Day to Day Management and operations - The club is managed by a Board of Directors, Director of Operations (DOO) and Director of Coaching (DOC). There is also a Tournament Director in charge of the North v South Tournament.

Coaching Oversight - The club employs Bob Galarneau as Director of Coaching for the Club. Bob recruits, trains and oversees all of the coaches in the Club. He conducts monthly trainings with the coaches, develops club-wide curriculum for all of the teams and oversees the training sessions.

Coaches - All of the head coaches in the club are paid coaches hired on a season-by-season basis. We strive to hire coaches with good soccer skills, good teaching skills and people who will be good role models for your children. In addition, there are assistant coaches for many of the teams. Some of those assistants are paid and some are volunteer.

Board of Directors - Oversight for the Club is provided by the SLOSC Board of Directors. The board meets on a monthly basis (second Tuesday of each month, specific information can be found on the slosoccer.com web site). The meetings are open to the public.

Staff and BOD Names – see website

2B – COMMUNICATION

In general, much of the club business is conducted via email and our club web site. If there is a change in a schedule that occurs within 24 hours of an event, we will use the phone as our primary communications tool. If the change occurs more than 24 hours prior to an event, we will probably use email.

“Chain of command”. We have established a process for communication.

1. If you have any issues, or concerns, those should first be communicated to your coach.
2. If you are unable to resolve those problems, then you should speak to the Director of Coaching, Bob Galarneau.
3. If you feel that your problem has still not been resolved, then you should contact the SLOSC Board

Please bring any health and safety issues directly to the attention of the Director of Coaching.

News/Newsletters – The club will post news on the home page of our web site.

Email Correspondence – The club will periodically email messages to members of the club. We will try and do that as infrequently as possible.

2C – VOLUNTEER EXPECTATIONS

Responsibilities other than paying team fees: The club requires some volunteerism from families to enable the club to operate in an organized, productive manner and to keep each team’s overall costs down.

North vs. South Tournament - The North vs. South Summer Classic tournament is a fun event that spans two weekends in August: U15-U18 August 4 & 5, 2012 and U10-U14 August 11 & 12, 2012. All SLOSC teams will play in the SLOSC North v South tournament. **Each family is required to work a minimum of 8 hours per club player at this tournament as part of your “Club commitment”.** Any member(s) of the family can volunteer to work a portion of these hours. The family will have tournament duties such as working snack bar, registration, etc. Many families/parents choose to put in their volunteer time during the weekend their child does NOT play, allowing them to watch their child’s matches. Or they may choose to spread their volunteer time over the course of both weekends.

Teams contributing their time and energy are a key component to our club’s financial stability, and we ask all families keep the August dates (4,5 and 11,12) and their club commitment in mind as they make summer plans. Families with conflicts can contribute their hours in a variety of ways prior to or following the tournament. Communication with the team-assigned tournament representative is necessary to ensure hours are met.

Our teams play for free, but the other 160-170 teams that come to town pay to enter. The tournament usually contributes between \$20,000 and \$25,000 to our club operating budget.

Parents and friends provide the work force to staff the event for the 6,000-8,000 participants and fans that attend over the two weekends.

Team Manager/Tournament Rep - Each coach selects a manager and a tournament representative to the North vs. South Tournament Committee from their parents.

Board of Directors - The operations of the Club are overseen by a volunteer Board of Directors made up of parent and community volunteers. Board elections are held in January of each year.

Drive-Through Barbeque – There is one Drive-Through Barbeque date scheduled: Sunday, April 22nd. Each family will be asked to sell a minimum of 10 tickets for the barbeque, priced at \$40 each. A total of about 40 volunteers will be needed on the day of each of the event. The DOO will ask for volunteers as the event nears.

2D – EXPECTATIONS

Club Official Expectations - Club Officials are responsible for providing the direction and organization for the club, and whose decisions and actions will set the tone for the rest of the members. In addition to the above applicable standards, Club officials are expected to:

- Remember that we exist for the benefit of the youth and not the egos of adults
- Conduct the business of the club with honesty, integrity and openness
- Ensure the club conforms to the rules established by itself, the Central Coast or Coast leagues, CYSA South, USYSA and FIFA
- Make decisions for the good of the club and not one's personal agenda
- Actively pursue ways to minimize costs for players and parents while providing an environment that enables the development of high quality, competitive soccer teams
- Prepare a line item financial statement of Club finances within 45 days of the close of the fiscal year

2E – DISCIPLINARY ACTION

If there is an incident that occurs where someone's (player, parent, or coach) behavior is inappropriate the club will take disciplinary action. In addition, both the league and Cal South have disciplinary committees as well.

During a match, the coach is responsible for their sideline (players and spectators). The referee has the right to eject players and spectators for bad behavior, and the coach for bad behavior or not controlling the touchlines. The Club has given our coaches the authority to require any of our spectators to leave the field if it is in the best interest of the team.

3 – TEAM OVERVIEW

3A – TEAM ORGANIZATION

SLOSC is divided into the following academies: COPA Academy (B01 Fire, G02 Storm and G01 Storm), Select Academy (B99 Fire, G00 Storm, G99 Storm, G98 Storm and G96 Storm) and Open Competitive Academy (B95 Fire, B96 Fire and G93 Storm).

3B - TRYOUTS

Open tryouts are held at the discretion of the DOC and the BOD for all teams in the club. In general, all new teams will have open try-outs. At the discretion of the DOC and the BOD, certain existing teams may be identified as "Select" and players may be invited to return for a future season without open try-outs. Teams are selected by the team coach and the DOC. Selections will be based on skills, attitude, commitment, and willingness to be coached.

Individual Tryouts - After initial team selection, individual tryouts (aka "spot tryouts") can be arranged by team coaches with prior approval from the DOC. A spot tryout is two training sessions, but can be extended to a maximum of four with DOC approval. Spot tryouts are available to anyone who is age appropriate, even if that player has tried out and not made the roster before. A team does not have to hold spot tryouts even if there is available roster space and players who wish to try out. It is possible that no players will be selected from spot tryouts. It is up to the coach to invite players to spot tryouts. Interested parents/players should express their interest to the coach.

Roster Cuts

SLOSC Membership is a privilege and should be treated as such. Membership can be reviewed at any time, for any reason, at the discretion of the coach, DOC and the officers of the club.

Examples of reasons players may be released:

1. Failure to meet team financial obligations
2. Failure to live up to the commitments as outlined in this Parent and Player Manual.
3. Failure to attend trainings, games or not making SLOSC your highest recreational commitment.

Depending on the failures and at the sole discretion of the coach and DOC, players facing release may be provided an evaluation and an opportunity to improve. The Incidental Player Evaluation (IPE) form will be used for evaluation purposes. The IPE Form can be found in the appendices section of this manual. Notification of release will be made by the coach and DOC or just the DOC.

3C - PRACTICES

Each of our teams is scheduled for two training sessions per week. Coaches may offer a third optional training session if they like. Players are expected to make all required training sessions and matches.

Training gear – Red practice shirt, black shorts and black socks. These can be purchased from SLOCO Soccer Store.

Times and locations – see website or your coach

Training Expectations:

- Arrive 10 minutes early with all equipment and training uniform
- Pay Attention - Your behavior will affect your participation
- Be respectful
- Be aware of your coach's team rules
- Be sure to learn something new every day
- Be a better player when you leave practice

Need to miss practice? – notify your coach and talk with them about a make-up training with another team in the club. Our focus is on development of our players and teams once rosters are established. Coaches will foster a strong and healthy competitive nature within the team, which will in turn benefit everyone.

Competition Play Time – Each player will compete according to the appropriate level of “Match Pressure”. Variables affecting match play include, but are not restricted to: Attendance, Attitude, Ability, Commitment, and Effort. Play time is at the discretion of the coach. The coach should be delivering clearly defined expectations to the players.

Expectations of Coaching Staff

- Arrival at training 15 minutes and matches 60 minutes prior to scheduled start time
- Professional attire and manner at all club functions
- Ongoing, open communication with players and parents
- Coaches will treat players and parents with honesty, fairness and integrity
- Coaches will hold high standards, but use support and encouragement as the prime factors in fostering player growth
- Coaches will be responsible and accountable for their actions and follow club policy

3D – COMPETITIONS

There are four types of possible competitions:

- League Circuit
- Club Sponsored Tournaments
- Friendly Matches or Mini Tournaments
- State and National Cups

League Circuit – Regular Season

The league season is September through mid-November with 1-2 games played most every Friday and/or Saturday for 10 weeks. High school age players will culminate their league play prior to the beginning of the fall high school season in late October/early November.

Our local league, the Central Coast Soccer League (CCSL) consists of teams from Paso Robles to Santa Maria. SLOSC's home field is Damon-Garcia sport fields located on Broad St. in San Luis Obispo. Games may be played on a Friday evening or a Saturday, sometimes both. Some teams will be designated to play in the CCSL Spring League that runs from mid-March through mid-May, with games being played in Bakersfield, Santa Barbara and Paso Robles to Santa Maria.

The Coast Soccer League (CSL) consists of teams from the Central Valley through Southern California. Home games for SLOSC teams in this league will be played at either UCSB or Oxnard College. Away games will likely be played between Santa Barbara and Thousand Oaks. Team will play 1-2 games per weekend for 10 weeks, with a possible "Bye" weekend. Games will be played on a Saturday or a Sunday, or both.

All teams are designated to play in the CCSL unless otherwise approved by the DOC.

Club Sponsored Tournaments – We will play in weekend tournaments throughout the year culminating in state cup for most teams. Tournaments are almost always Saturday and Sunday play. We generally play in tournaments that are within a 3-4 hour drive of San Luis Obispo.

Friendly Matches or Mini-Tournaments – Practice games against another club or organization.

State and National Cups – Competitions provided by State and National Associations, ie. Cal South and US Club Soccer. Participation in these tournaments will be decided on a team by team basis, at the discretion of the Team Coach and the DOC. Teams participating in State and National Cups will incur additional expenses and have their training and competitive calendars extended beyond other teams.

The possible State and National Cups available to SLOSC teams are Cal South State and National Cup and US Club Soccer State and National Cup. Cal South tournaments run in Jan/Feb for U11-U13 and in April/May for U14-U18. US Club Soccer tournaments run in Feb. for U11-U13 and in June/July for U14-U18.

A typical commitment for a state/national cup team would be as follows: Training starting Jan 1st, one prep tournament in mid-Jan, State Cup tournament weekends starting the last weekend in Jan. and continuing for the next three weekends. Teams compete over 1-3 weekends, depending on their results. If they continue to win, they keep playing. If they lose, they are out.

Match Expectations for Players:

Game Attire – Black game day shirt worn to field, transition to jersey at coaches direction. Leave field either in jersey or game day shirt.

Arrival time – 60 minutes prior to scheduled kick off (coach has discretion to change for each match and communicate to players). Check in with coach immediately after arriving. Fully dressed and ready to go 30 minutes prior to kick-off

Focus – Know your coach’s rules regarding interaction with players and parents.

Touchline– Remain in the “Team Bench Area” while off the pitch. This area is for players and coaches only.

After the Match – Remain with the team under coach’s supervision until dismissed.

Match Expectations for Parents:

Arrival Time – Arrive at the match site 45 minutes prior to kickoff. Turn your child over to the coach’s supervision upon arrival.

Touchline– Familiarize yourself with the “Team Bench Area” and the “Spectator Area” and respect team boundaries. Please ask questions of a coach at appropriate times (not during a competition). If there is something that needs to be communicated with the coach during a competition, speak to the manager, who will speak to the coach. We want spectators to be supportive and cheer for our teams in a positive manner. Do not coach, criticize officials or interact with opposing players.

After the Match – Coach will turn supervision back over to the parents at dismissal. Coach will inform parents of his/her availability for conferences/discussions.

5 – FINANCES

5A – Player Fees

Fees that are charged to players:

- Monthly Dues
- Uniform Fee
- Additional Tournaments

Dues (Your player will either be a, b or c)*

a. Annual Fee for COPA Academy is \$700

OR

b. Annual Fee for Select Academy is \$900

OR

c. Annual Fee for Open Competitive Academy – B95/96 \$500, G94 \$800

OR

d. Annual Fee for YDA is \$300

SLOSC has a “pay to play” policy. Players must be current in payments in order to play.

*Go to www.slosoccer.com in the Club Registration Section for Program Descriptions that describe exactly what is included in the dues for each Academy.

Uniform Fee

Uniforms and training kits are required of all players. The total cost for a new uniform is around \$100. Training kits are about \$65. If you need just an item or two, you can purchase those individually. Warm-ups and bags are available to purchase, but are not required. Exact pricing is available at www.slosoccer.com in the registration section. Uniform jerseys will be replaced every other year.

Additional Tournaments

Additional expenses will be incurred if your team goes to more than the number of tournaments that are covered by the dues. The cost of additional tournaments will be calculated based on actual expenses for each tournament. The cost per player will be determined by taking the total of tournament fees, coaches expenses and a 10% administrative fee and dividing by the number of players attending the tournament.

5B –Financial Assistance

Our goal is to select competitive soccer teams and not have the cost of being on a team prohibit anyone from playing. To that end we will offer financial assistance for players. A financial aid application will be made available to families at the beginning of the season in January. Information will be made available at that time regarding what factors are considered when determining financial assistance. Any information collected will be confidential. Applications will be due by the end of January. The amounts we offer each year are based on the number of applicants and the pool of available money. Those families receiving financial assistance should be prepared to provide additional volunteer hours during the season.

5C – Fundraising

There are two club-wide fundraisers scheduled during the season: the North v South tournament and the drive-through barbeque. All families are expected to contribute volunteer hours for the tournament and volunteer hours and/or ticket sales for the drive-through barbeque. All proceeds from these events go to the club as a whole.

Individual teams may hold fundraising events on their own - with prior approval from the DOO. Proceeds from these events go directly to the individual team. Participating in an individual team fundraising event DOES NOT exclude any family from participating in the club-wide events.

6 – APPENDICES

6A – Incidental Player Evaluation (IPE) Form

SAN LUIS OBISPO SOCCER CLUB

Incidental Player Evaluation

Mission Statement

San Luis Obispo Soccer Club strives daily to be the best club possible, and places great emphasis on developmental standards for its members. Our goal is to establish trust and integrity with our young soccer players. Included in membership, we work to ensure that each player experiences a fun, safe and rewarding environment. With that said, we sometimes need to remind players, or encourage them to recognize and appreciate the privileges that accompany membership in SLOSC.

Objective

The Incidental Player Evaluation allows us to communicate with the player and parents through an objective format, designed to identify any areas that might require remediation. A coach, or the club DOC, may refer to this process, for any reason deemed necessary, and at any point in the club season.

Procedure

The IPE includes the following: Reason for the evaluation, circumstances surrounding the evaluation, person(s) reporting, objective measures and recommendations for remediation, and a follow up plan & date. The team Head Coach and/or SLOSC DOC will review the evaluation with the player and parents/guardians in person. The club DOC will copy the SLOSC Board of Directors on the evaluation.
